

Governor Urges Citizens To Vote

Governor Sigler has urged all eligible citizens to vote in the spring election, April 7.

"This is a very important election because at this time we select the judges for our Supreme and Circuit Court benches, and the men and women who will govern our schools and colleges," the Governor said.

"Although there has not been much excitement connected with this campaign, we can not afford apathy when it comes to exercising one of our most precious privileges," Governor Sigler declared.

The voters will elect a State Superintendent of Public Instruction, two regents of the University of Michigan, and two members of the State Board of Agriculture, governing body of Michigan State College, one member of the State Board of Education, and three Justices of the State Supreme Court.

Seeking a solution to labor-management difficulties, Governor Kim Sigler has called a meeting of legislative labor committees to discuss proposed labor legislation in Michigan.

The committees are expected to discuss pending measures to curb strikes, extend control over child labor, and streamline state agencies dealing with labor matters.

Following an earlier conference with the committees, an administration bill separating the Workmen's Compensation Commission from the State Department of Labor and Industry was introduced in the House of Representatives.

The bill, advocated by Governor Sigler in his message to the Legislature, would create a commission of four members, three of them attorneys. There are now five members on the commission.

Governor Sigler said in his message to the Legislature that he favored such a bill because "no law can be properly administered where pressure of one faction or the other is exerted upon judicial interpretations."

Election Talk
Governor Kim Sigler is scheduled to broadcast Friday, April 4, from his office over a state-wide hook-up in behalf of the Republican candidates for the spring election. The talk will be from 7:15 to 7:30 p. m.

Cancer Month
April has been proclaimed "Cancer Control Month" in Michigan by Governor Kim Sigler, who urged support by Michigan citizens of a program of research, education and service aimed at controlling this dread disease.

Hospital Seeks Student nurses

The Illinois Masonic Hospital, seeking student nurses, according to Ted Wheeler of Chicago, who was home to Grayling with his family to spend some time with his parents, Mr. and Mrs. Delbert Wheeler.

Wheeler said that the school had a new nurses' home only three years old and was adding a new wing to its Chicago Hospital. The school is accredited and approved by the State Department of Education and Registration of Illinois; the District, State and National Nurses Association, and the curriculum meets the requirements of the National League of Nursing Education, Wheeler points out.

He left a prospectus of the school and application forms for entrance at the Avalanché office, which are available to any interested party.

GOOD FRIDAY PROCLAMATION

One of the good signs of the times is the splendid religious co-operation and toleration expressed through the observance of Good Friday by people of various and many faiths.

Good Friday is the day upon which Jesus Christ was crucified and it has become a custom observed in many cities to close all places of business from 12 noon to 3 p. m., the hours when Christ hung upon the Cross.

In accordance with this custom, I, as Mayor of the City of Grayling, call upon all the people of our city to close their places of business during these hours and to gather in the places of worship where commemorative services are being held.

George Burke, Mayor of Grayling.

CANCER PROCLAMATION

Whereas, the people of the City of Grayling have always shown a progressive spirit in responding to public appeals when such causes are just and worthy, and because the Month of April has been declared Cancer Control Month by proclamation of the President of the United States and by the Governor of Michigan, and

Whereas, on the average, one of every two homes in this city will be stricken by cancer unless the death rate of this dread disease is soon lessened, I, George Burke, Mayor of the City of Grayling, do hereby proclaim April as

CANCER CONTROL MONTH

and request that the citizens of this city observe it as such.

George Burke.

National Guard Observes Army Week

Lansing.—The vital role of the National Guard in the over-all defense plan for keeping America safe from attack and helping to maintain peace in the world will be stressed by the Michigan National Guard during its observance of Army Week, April 7-12, Brig. General Leroy Pearson, state adjutant general, announced today.

"Although the war is over," said General Pearson, "we are still living in an unsettled and troubled world. Therefore, it is imperative that we have not only a strong Regular Army, but a strong National Guard. The National Guard, trained and ready for any emergency, can play a vital role in keeping America secure and helping to preserve peace."

General Pearson has instructed all National Guard unit commanders to work closely with the Regular Army in taking the story of America's defense program to the people during Army Week.

Highlight of the celebration in Michigan will be ceremonies at Lansing and Detroit. "These ceremonies will emphasize the unity and necessity of all components of the Army, including the Regular Army, the National Guard, the Reserves and ROTC. Governor Kim Sigler will give the principal address at the Army Day ceremony in Lansing on April 7.

National Chair- man Thanks Workers

Harvey D. Gibson, National Chairman of the 1947 Red Cross Fund Drive, congratulated and thanked Crawford County Red Cross Drive workers for their effort and success in reaching their goal this week in a letter to County Chairman J. Glen Day.

The letter, in part, says: "We are delighted to learn that your chapter has exceeded its 1947 Red Cross Fund Goal. This achievement reflects great credit and demonstrates anew the loyalty and faithfulness of your fine group of campaign associates. It is gratifying to know, too, that your contributors have responded so generously in a year of many campaigns. Sincere congratulations. All of us are delighted at your success."

The letter was signed by Mr. Gibson. The Crawford County effort exceeded the goal easily. A full and final report of collections in each district will be published next week, Chairman Day said.

Cushman Named Green- ville School Supt.

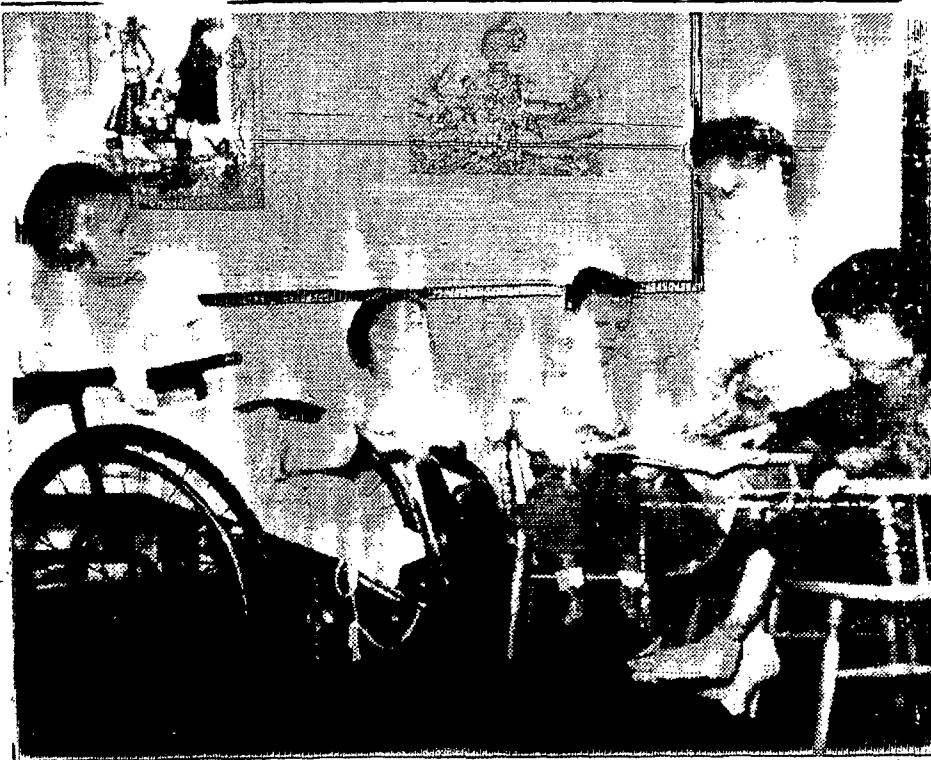

LaVere P. Cushman, 41-year-old former Grayling High School principal, will become Greenville Superintendent of Schools on July 1, when the resignation of Vern E. Mable, superintendent there for 12 years, takes effect. Dr. William Hird, president of the Greenville board of education, has announced.

Cushman, who was in Grayling from 1927 until 1932, went to Britton, where he headed the school system for eight years. He then was school superintendent at Perrinton for three years and then taught English and mathematics in Ypsilanti for some time before becoming school superintendent at Vicksburg in 1944.

A graduate of Perrinton high school, he attended Central Michigan College before transferring to Adrian, where he received his bachelor's degree. He holds a master of arts degree from University of Michigan.

He is the father of two children.

Young Patients Enjoy School at U. of M. Hospital

ANN ARBOR—Four young patients in the University of Michigan Hospital listen as a teacher reads to them during the always popular story hour in the children's playroom.

The story hour is one feature of the Hospital School, a unique educational organization which offers regular school work plus recreation for children of all ages in

the hospital. Accredited courses from the first grade through high school keep the pupils abreast of the school work they would otherwise have to miss.

Last year 1,500 children benefited from the Hospital School's services. A teaching staff of 12 conducts classes in a hospital room designated as the schoolroom. Individual instruction is given to patients who cannot leave their beds.

Fred Carrs Announce Daughter's Marriage

The Fred Carrs announce the marriage of their daughter, Kathryn, to Harvey Reagan, formerly of Grayling and now of Flint. The rites were spoken in Flint on Saturday, March 29. The young couple will make their home in that city where Mr. Reagan is employed.

Cancer Campaign Begins April 1

"During the last five years, cancer has killed 21 in this county alone. The drive for funds to stamp out cancer will begin April 1. We must all support this drive to the limit of our abilities," said Mrs. Stanley Stealy, who has been appointed county chairman of the current cancer drive. The Grayling Woman's Club is sponsoring the drive in Crawford County.

G. A. Webber, state chairman of the Michigan Division of the American Cancer Society, in appealing for funds to carry out this organization's cancer control program, declared: "Last year, over 7,200 people in Michigan died of cancer. One out of every three of these deaths was needless. If their conditions had been detected and treated early enough, they could have been saved. At least thirty to fifty percent of cancer cases can be cured."

April has been designated as Cancer Control Month by an Act of Congress and a Proclamation of President Truman. National, state and county quotas have been set.

The Michigan Division was organized in conjunction with officials of the Michigan State Medical Association. Eager to get the proposed program under way, leaders in business, professional life, labor and agriculture gave of their time and money to support it.

Money which will be raised by the April drive will be spent to educate the people of Michigan to the need for early diagnosis of cancer. Danger signals will be pointed out and early treatment urged. This educational program will be carried out by newspapers, radio broadcasts, moving pictures, books, study courses, and public talks on cancer.

These funds will also be used to continue cancer research in order to discover its cause. This nation-wide research is under the direction of leading scientists and medical authorities who believe that the discovery of the cause of cancer will eventually lead to the cure of all types of cancer.

SERVICES HELD FOR WALTER FALL

Walter Richard Fall was born in Maple Grove, Saginaw County, in 1871, and passed away Thursday, March 27, at 8:15 p. m., at the home of his daughter, Mrs. Clara Hinkle, of Frederic.

The body of the deceased was taken to Jackson, Michigan, on Saturday and services were held Monday at 2:00 p. m., from the Gildersleeve Funeral Home in that city. Burial was in Spring Arbor, Mich.

Surviving are three sisters, Mrs. Cora Tozer and Mrs. N. Amidon, of Flint, and one, name unknown, in California; two brothers, Warren of Flint and Claude of Presque Isle, and one grandson, Jerry Hinkle, of Frederic.

Last year 1,500 children "went to school" in the University of Michigan Hospital. They did their home work while propped up in bed or sitting in wheel chairs.

Those 1,500 children spent a total of 26,000 days in the University Hospital, and on 20,000 of those days they received instruction designed to keep them abreast of school work they would have been doing if they had been at home. The extra 6,000 days were taken up by operations, treatments of various kinds, and changes in physical condition which prevented the children from studying.

The University Hospital School is a unique educational organization which offers regular school instruction as well as recreation to every youngster admitted as a patient. One day or three months—the length of stay doesn't matter, though school work is organized to meet the needs of children of varying ages and school achievement.

Miss Dorothy Ketcham, Director of Social Service at the Hospital, started the school in 1923 with the intention of "keeping the children growing and developing mentally and emotionally while their physical ills are being treated." Last year, 85 percent of all the children in the hospital carried a full school program—when they left the Hospital to go home, they were able to re-enter the public schools at the same level as their former classmates. All the school work carried on at the Hospital is accredited by the State Department of Public Instruction.

The Hospital School program is not all work. Much of the instruction given to sick children must come to them through play, Miss Ketcham explains.

On the top floor of the Hospital are a playroom for pre-school children, a children's library, a workshop and a roof porch. Here youngsters of all ages may play, read, or take part in a crafts program. It doesn't matter that they wear bandages or are confined to beds and wheel-chairs—there are many games and activities they can enjoy despite their illnesses.

For older children and adults, the Hospital maintains a traveling library of 2,100 books as well as current magazines. Daily ward trips are made with a book cart so that patients may select the kind of reading matter they want.

The School is financed partly by the State, which appropriates funds for instruction of crippled children, and by gifts from organizations and individuals. The Kiwanis Clubs of Michigan have supplied much equipment for the playroom and library, while a student organization, the Galens, provides supplies for the workshop.

Hospital officials estimate that during its 24 years of existence, the School has aided more than 75,000 children.

Grayling Flying Service Receives First Plane

The Grayling Flying Service, owned and operated by Herbert and Clayton McDonnell, received its first plane on Tuesday of this week. It is a Luscombe two-place trainer ship. They have two more awaiting them at Saginaw, but will not bring them in until the snow melts.

The first plane was equipped with skis in order to bring it safely to earth at Grayling Air Field. All three planes are of the enclosed cabin type and the first one brought up from Saginaw was of an aluminum color trimmed with blue.

The company will begin flying instruction service in the very near future, the partners say.

Draft Board Closes Door

Nearly 500 Crawford County men have been "called to the colors" of their country through the U. S. Selective Service draft board here in the six and a half years since the inception of the system.

Crawford County is the only one of the only draft boards in the state that operated with the same chairman, secretary, member and clerk throughout the entire period. Alfred Hanson acted as chairman with Charles Moore as secretary and C. J. McNamara as a member of the Crawford County Board for six and a half years. Harold Jarman was the Board clerk throughout the entire time.

The final meeting of the Board was held on Monday, after which the functions of the Board and office were finished. The office will continue to be open for a while to close the records, and compile totals which will be delivered to the State Selective Service Headquarters at Lansing, where all information will be centralized.

Instructions were received here last Wednesday that, effective immediately, local boards will discontinue classification of all Selective Service registrants. Only 18-year-old youths and returning veterans, who voluntarily enlisted before induction, were required to register from the receipt of the telegram until the board officially closed Monday.

In addition to induction registration, the local board clerk "checked back" all discharged military personnel. They have assisted many veterans in securing jobs upon their discharge.

In unofficial capacity, the members of the board and clerk have given unstintingly of their time and effort in directing returning veterans to the agencies best suited to cope with the veterans' individual problems of employment and readjustment aid.

All of them can look back on a job "well done" over the past six and one-half years.

JESSE J. BILLINGS LAID TO REST

Services were held Saturday, March 29, from the Sorenson Funeral Home for Jesse J. Billings, who passed away March 28 at Mercy Hospital. Rev. H. C. Purvis read the final rites and interment was in Elmwood Cemetery. Mr. June Gross presented the music. Melvin Enyart, Frank Servot, Carl Parsons, Fred Lamm, Fred Schreier and Theodore Callahan served as pallbearers.

The deceased was born at Gres, Arenac County, Michigan, July 16, 1871, the son of Julia and Elijah Billings. On August 18, 1892, he married Cora Fergu in Grayling and to this union five children were born: Mrs. Ina Murphy of Chicago, Ill.; Claude Billings of Clio, Mich.; Lena Peterson of Cadillac, Margaret Peterson of Clio, and Doris McEwen of Flint. The children survive him as well as eight grandchildren and two great-grandchildren. He also survived by his second wife, whom he married December 1935. She was formerly Mary Gallagher of Roscommon.

At one time Mr. Billings said the Great Lakes; later he was employed as cook in the luncheon and C. C. camps, and also worked as caretaker for the Wood property at Lake Margrethe.

Here for the funeral besides children, were Mr. and Mrs. T. Fitzpatrick and daughter, of Saginaw; Mr. and Mrs. George C. of Lake Margrethe, and Schreier of Kalkaska.

Kiwanis Club Not

Committees working on the Kiwanis old-fashion square and box social party reported the regular meeting held at the Penagons Inn last Monday evening.

The party will take place at the AuSable River Inn on Saturday night, April 19, according to committee head John H. Peterson who arranged for the Inn. Bond was in charge of a committee to obtain music and provide a band from Mt. Pleasant, and the famed "Lumberjacks" who have appeared at sport events and festivals all over the country. Secretary Emil Giegli reported that his committee was awaiting information before beginning to contact the wives concerning the box social and party. Dr. J. F. Cook, who is a special entertainment and ey-raising committee for the party, reported that all was in readiness. Proceeds of the social dance will be placed in the Kiwanis fund and underwritten by the club fund.

The Club welcomed back to Kwanian Roy Mines, who returned to the club after absence of some time. Tom Peterson, Robert Johnson and C. Peterson were guests of the Kiwanis Scout Committee at the Kiwanis Scout program from 1946.

Discussion on various topics and phases of club by-laws and other business were the main items.

Grayling Team Leaves For Ohio

A basketball squad made up of members from both the Legion and the Keggers independent basketball teams, left here Sunday to engage in a Tri-State Basketball Tourney at East Liverpool, Ohio.

Those who went as players include: Roger Giegling, Carl Nielsen, Sandy and Ross Thompson, Ed Smith, Jim Kolka and George Hanson. Bill Sorenson and Bob Papendick accompanied them. Most of the men will return here next Sunday. However, Kolka and Papendick will report to Cleveland for sailing orders on the Great Lakes for the season.

The trip was financed through the efforts of the participants in a perch fry and other activities.

MARRIAGE ANNOUNCED

Mr. and Mrs. H. S. Armstrong of Maple Forest announce the marriage of their daughter, Doris Jean, to Fitzhugh Prescott of Prescott, Michigan, on March 19.

Another Barber Shop Added In Grayling

Another barber shop opened its doors in Grayling last Saturday, when Burton McWilliams began business at a location on Norway Street next to Duncan's Market.

McWilliams, who operated a barber shop in Roscommon before the war, spent three years in the Army. Following his discharge from the Army, he worked at Olson's Barber Shop for some time. When he operated his Roscommon shop, Ernest Olson worked there for him.

MEETING DATE CHANGED

Mother Seton Circle will not meet on April 9 as planned, but will meet instead on Wednesday, April 23. The Circle is sponsoring a card party Thursday, April 17, to which the public is cordially invited.

The Leonard Allison family has returned home after two weeks' absence in P. land, Ohio.

SMALLEST CAMERA . . . Built and designed for use by OSS agents and underground forces during World War II, this tiny "H.B." camera, no larger than its namesake, a matchbox—is now on the market.

MARGARET DRAGOO PASSES AWAY

Mrs. George Leonard of 312 State Street received word Tuesday morning of the death of her mother, Mrs. Margaret Drago, in Traverse City on March 31. Mrs. Drago, who had been in poor health for quite some time, was 84 years old. The place of her birth is unknown, but she had resided in Beulah, Michigan, for the past fifty-seven years.

Mr. Drago passed away around 40 years ago. Funeral plans are incomplete at this writing, but it is thought the services and burial will be at Beulah.

Nine children, 22 grandchildren, 17 great-grandchildren, and three great-great-grandchildren survive Mrs. Drago.

P. T. A. NEWS

The Parent-Teacher Association met at the high school Monday evening. Ernest Larson presided in the absence of President Joseph Lennert. Officers were elected for the coming year, as follows: President, Richard Lovely; First Vice-President, Mrs. Norval Stephenson; 2nd Vice-President, Joseph Stripe; Secretary, Mrs. Carl Richardson; Treasurer, Ernest Larson. The officers are to be installed in May and will take office in August.

It was voted to send two delegates to the P. T. A. Convention to be held in Detroit at the Statler Hotel, starting May 7. Another "party" was planned by the money raising committee, and it was decided to leave the date to their discretion. Watch for the date announcement. A band concert is planned for May 15, and it is hoped that this will become an annual affair.

The meeting was turned over to Program Chairman Richard Lovely, who announced that Joseph Stripe would show a movie. The movie, compliments of the Dodge Motor Corporation, was entitled "East of Bombay", and was a travelogue taking one on a trip from Bombay through India and Ceylon.

Cookies and coffee were served from a refreshment table attractively arranged and centered with daffodils. Serving on the refreshment committee were the room mothers from the 5th and 6th grades—Mrs. Fred Niederer, Mrs. Fred Bishaw, Mrs. Joe Bielski, Mrs. Charles Decker and Mrs. Harry McEvers; and teachers, Miss Gene Puffer and Earl Gierke.

At the executive meeting held preceding the regular meeting, it was decided that April 23 and May 21 are the dates of the next two regular meetings.

GIRL SCOUT DANCE

The Girl Scouts of Troop 11 entertained at a dancing party on Tuesday evening, March 25, in the High School gym. Joan Harwood

acted as dance chairman. American and international flags added color to the gym. Pat Mallinger and Alan Richardson led the Grand March in which fifty couples participated. The Rhythm Kings orchestra furnished the music. During the evening solos were sung by Joan Simpson and Helen Sorenson.

Another feature that was very much enjoyed by the young folks was a square dance with Mr. LaMotte as caller.

Refreshments were served from a long table which was centered with a bowl of yellow and blue flowers. Mrs. John Brady and Mrs. Harold Rasmussen assisted at the refreshment table.

VISUAL EDUCATION

A Dennis-Roosevelt Asiatic Expedition picture titled "East of Bombay" was shown to several groups this week. It went with the expedition up into the Himalaya Mountains to a Tibetan monastery to witness a religious festival. Next, Benares, the holy city on the Ganges, was visited, and a native burial ceremony viewed. After several scenes showing the strange weird sights and customs of India, a visit was paid to Colombo, capital of Ceylon.

EIGHTH GRADE
On Friday night the Eighth Grade was host to the 7th and 9th grades at an evening program at the school. Sixty-five young folks enjoyed the evening of recorded music, games and "eats". Mrs. Edna Hanson assisted by Miss Kraus, sponsored the party.

BASEBALL

The spring baseball schedule has been completed by scheduling home-and-home games with Roscommon. The local season will open on April 17, when Coach Neil is expected to have the "Wave" squad ready to cross bats with the "Bucks" on the home diamond. A week later, on April 24, the two teams will meet at Roscommon.

EASTER RECESS
School will close at noon on Good Friday, April 4, for Easter recess. Classes will resume on Monday, April 14. We hope that by that time the snow will be gone.

BAND

The Band has outgrown its practice room and has had to move into the gym for full practices the last period of the afternoon. This is a distraction for the students studying in the session above the gym, but the pupils are getting used to it.

Beaver Creek

High drifts from 10 to 12 feet high have made some roads impassable. Many children have been unable to get to the school bus.

There was no dance at the town hall Saturday, March 29, due to the snow. There will be one held next Saturday, April 5. Musicians have been engaged.

Bonnie Millikin entertained a group of classmates Sunday afternoon. They attended a movie at West Branch and had refreshments at the Millikin home later. Ben Garland has resumed his work at the Pioneer Log Co. He recently underwent a leg operation.

(Mar. 27, delayed by bad weather)
A large crowd was disappointed Saturday night, March 22, when the musicians did not arrive. However, those who did stay enjoyed the evening, dancing to popular piano music by Patricia Stilling. Mrs. Franklin Knapp was hostess to 23 of their neighbors and friends, Wednesday evening, Mar. 19, in honor of Mr. Knapp's 90th birthday. A delicious lunch was served and the evening enjoyed by all.

Mrs. Forest Vincent and Mrs. Floyd Vincent entertained a group of 20 boys and girls in honor of Barbara Lee and Duane Vincent's 11th birthdays. Games were played and refreshments served. All reported a fine time.

Frederic News

Elder and Mrs. Merle Howard (nee Betty Newberry) of Midland arrived Sunday night for a few days' stay, before leaving with Elder and Mrs. Roy Newberry for the Conference at Independence, Missouri.

Carolyn Weaver, the little daughter of the Dohn Weavers, is

Preacher Scientist

Dr. Irwin A. Moon, of the Moody Bible Institute, seen above in one of his "Sermons from Science" demonstrations, is the producer of the sound-color film, "The God of Creation", to be shown at 8:00 P. M. Saturday (April 12) at the Grayling High School Auditorium.

much better.

Jack Bigham, Sr., had the misfortune last Saturday to slip on the ice and break his leg. He is resting quite comfortably at Mercy Hospital.

Gerald Newberry made a trip to Lake City last week on business. Mr. and Mrs. Earl Sonter went to Bay City, Monday.

Mrs. Leo Nelson and children were up Sunday, visiting her parents, the C. S. Barbers.

Mrs. Kenneth Allen and Mrs. Harry Horton spent Saturday in Grayling.

Andy Fox of Grayling called on his father, Art Fox, Sunday.

Mrs. Jay O'Dell is much improved at Mercy Hospital at this writing.

Gene Kaiser, accompanied by the Misses Joan Madill, Barbara Dunclekey and Pat Dunclekey, went to Detroit for a few days last week.

Mr. and Mrs. Archie Fox and children, of Gaylord, were Frederic callers, Sunday afternoon. We are very sorry to learn of the death of Mr. Walter Fall, that occurred here very suddenly last Thursday night at the home of Mr. and Mrs. C. Hinde, the latter being his daughter. He was taken back to Jackson, his former home, for interment.

Some of our side streets are still a bit of snow that they are almost impassable, and you can get stuck almost any place.

The people of Frederic wish to thank Mrs. Maude Shorts for her co-operation. She collected away over the quota for the Red Cross in Frederic, and a lot of credit is due her.

FREDERIC MOMS

Our next meeting will be held April 10 in the evening at the hall. The young women of the town have been invited to join our unit as an auxiliary at this meeting. All members are asked to bring their own dishes. We will serve both dinner and supper on Election Day. A chicken dinner at noon will be 85c; supper 40c. It is hoped all members will be there to help.

Abbie Madill.

Weekly News-Letter
From the Desk of Representative Emil A. Peltz.

March 28, 1947.

I want to call the attention of all supervisors and assessing officers to the changes in assessing and other important dates as proposed in House Bills 240, 241, 242 and 243. These bills are sponsored by the Governor and State Tax Commission and would bring about the following changes:

The new TAX DAY will be January 1st, in all assessing districts, including cities and villages, instead of April 1st.

Supervisors or assessors will make and complete assessment roll on or before the 1st Monday in March, instead of the last Monday in June.

The Boards of Review of each Township shall meet at the office of the Supervisor on Tuesday following the 1st Monday in March, instead of June.

The Boards of Review of each Township shall meet at the office of the Supervisor, for their second and final meeting on the 2nd Monday in March, instead of June.

Beginning in 1948, the Boards of Review of all Cities shall be completed on or before the 2nd Monday in April.

The Commissioner of State Land Office shall furnish the County treasurers a list of all part paid State lands during the month of January, instead of March. And the County treasurers shall deliver to the Supervisors, an affected list of ownership and description on or before the 10th day of February, instead of April.

All State owned lands, State game reserves, and State game farms, shall be assessed by the State Tax Commission, on or before the first day of February instead of the 15th day of April. The State Tax Commission shall make a report of the several assessing districts of the State in which game reserves are located, for entry on the Rolls, on or before the 15th day of February instead of the 1st day of May.

The meeting of all County Equalization Boards will be held on Tuesday following the 2nd Monday in April each year, said board will equalize the assessment rolls of the County. Changed from June to April.

The State Board of Equalization will hold its first meeting with the Auditor General on the 3rd Monday in August to determine final Equalization of the State.

It is claimed by the sponsors of these bills that the many changes in Michigan's Tax Dates are necessary to make them conform to a Supreme Court edict, that levies must be on Equalized values rather than original assessments.

Under existing statutes, allocation of the 15 mills specified in the Constitution, is set for the month of May, although the State Equalization does not occur until the month of August.

The Tax Date changes would advance the assessment deadline from April 1st to January 1st, and call for spreading the Roll in January rather than April. Boards of Review would sit in March, rather than in June month. The State Equalization would be pushed ahead from August to June.

A newly elected supervisor would have to accept the assessments.

Grayling, Michigan, Thursday, April 3, 1947.

Passing The Buck . . .

Forney Johnston, counsel for the National Coal Association, recently charged that "strikes destructive to the public interest are as inevitable as they are imminent" unless Congress corrects existing labor laws. Johnston pointed to such abuses as the closed shop, which forces men to pay tribute to unions whether or not they desire membership, on pain of being deprived of their livelihood; to the union welfare fund which levies a tax on every ton of coal mined and turns the proceeds over to union heads for any purpose they see fit; to the effort to force foremen into unions, which would deprive management of the only representatives it has in the mines; and to industry-wide bargaining, which gives unions monopoly control over the production of essential goods.

Mr. Johnston was but one of a long list of experts in various fields who have appeared before Congressional Committees and spoken plain truths concerning the greatest domestic problem now faced in this country. The voice of the general public has likewise made itself known, through Gallup poll and similar surveys. An overwhelming majority of the country's newspapers have urged Congress to act without further delay. Despite all this, there is a grave doubt if laws to curb even the most evident abuses of labor power will be passed.

There is but one reason for that doubt—politics. Next year is a presidential election year. So the political mind shrinks from doing anything. It prefers to

talk, to make promises—and in the end, delay and hedge and do nothing. It prefers to forget the clear mandate laid down by the people in the elections last November, when the labor issue over-shadowed all others.

There is but one answer—a public demand that Congress meet that issue courageously and directly. Side-stepping Congressmen must be shown that evasion of their plain responsibility, and disregard of past promises, will mean public disfavor and eventual political defeat. The voice of the people must be heard again.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE
FILES OF THE AVALANCHE OF 23 YEARS AGO

(APRIL 3, 1924)

The March lion was late in getting here this year, however he came with all his fury last Saturday and didn't let up until April first made him out of date. The old boy was a regular beast Saturday night and Sunday. Plenty of snow came at that time to make good sleighing in town where all the highways had been bare before. The last few days have just about erased the evidence of his last attack and Nature will soon make us forget it and all will be smiles again.

Miss Clara Nelson, who teaches school in Royal Oak, is spending the spring vacation visiting her parents, Mr. and Mrs. Lars Nelson. . . .
Holger F. Peterson turned the post office over to Melvin A. Bates, April 1st, so that now it is Postmaster Bates again.

The Grand Rapids Herald made a number of comments on Grayling High School boys basketball team in their issues during the days of their basketball tourney at Petoskey, calling them the Grayling greenclads. In the first game of the tourney, McPhee won the honor of being one of the highest point getters of all teams that played that day, having succeeded in registering 10 points and receiving honorable mention. The Herald said, "A brilliant game of the second day was the Kalamazoo-Grayling struggle, which was won by Grayling. The Grayling crew will be a hard one to stop in Class 'C' division, as they are a bunch of fighters who don't know the meaning of the word quit. Matson (Stanley) shone in the Kalamazoo game, getting ten of the 26 points for Grayling. For his brilliant playing during the tourney he was chosen on the second all-tourney team, and it was said that he might have made the first team had he had a little more experience. He, with Cornell of Harbor Springs, were spoken of in the Herald as 'mighty sweet players', having won the admiration of the crowds. In both the Charlevoix and Harbor Springs games, Grayling did not play up to their usual standard.

Those home from schools for the spring vacations are Margaret Douglas, Hazel Cassidy and Kristine Salling, from Ypsilanti, and Eleanor Schumann and Emerson Brown from Kalamazoo, and Miss Mildred Corwin from Central Normal.

Mrs. Floyd McClain, Mrs. Olaf Sorenson and Mrs. Rasmus Rasmussen celebrated birthdays during the past week.

A chimney burning out at the home of Mrs. Saloma Simpson last week Saturday noon, damaged some of the wall decorations by smoke. She was alone at the time and had a pretty hard time

and at the same time meet the exacting demands of the Executive's office at Lansing. Consequently, many engagements have been cancelled by the Governor—and reluctantly so.

Michigan's new Governor has proved so far to welcome suggestions from a variety of advisers. He seeks to get a cross-section of information in this manner, and when the time comes when a decision is required, he makes it promptly and then forgets the responsibility and turns immediately to new problems. This ability to throw off the responsibilities of an Executive office was one of the characteristics of the late Franklin D. Roosevelt. Running the State of Michigan is a lot more complicated job than running a Grand Jury investigation under the leadership of an able circuit court judge.

The 40-Hour Week is Swell — for everyone except your doctor

Your doctor is heartily in favor of the 40-hour week, and he would very much like to share it with you. He could, too, if the Government ever took over medicine and put your doctor on the payroll. But as long as Americans prefer the freedoms they enjoy under America's private enterprise system, your doctor can't place his personal wishes above his social responsibility. As a private physician, your doctor has a professional code that makes his time yours to command. He believes that this is the way you prefer it, which is why your doctor looks with disfavor upon any movement that tends to destroy private enterprise.

Health NEWS
DDT for Pests

Don't be afraid to use preparations containing DDT for exterminating insects or vermin. DDT hasn't killed any human beings yet. We have this information from reliable medical scientists who have done much to develop the product. It is true that a few persons have been made ill, but this was due to the solvent of base used and not the DDT itself. On the positive side, the scientists, supported by high ranking Army medical officers, regard DDT as a God-send and are hopeful that soon it will be possible for human beings to live in any part of the earth without fear of insect-borne diseases. They declare it will kill mosquitoes, including those which transmit malaria; fleas; including those which transmit plague; the louse which spreads typhus and the fly which can transmit dysentery and which may be a carrier of infantile paralysis. In addition, the medical profession has in DDT the potential of an improved method for controlling certain ulcerations of the nose and throat, sandfly fever, and other fevers. There may be some quicker acting insecticides, but, on proper application of DDT to a surface, it will continue to be a powerful contact insecticide for three or four months. And most insects poisoned by DDT will die, even though its knockdown varies from a few minutes to more than an hour.

Illinois Winner Of School League

The Illinois intramural basketball squad, captained by Henry Feldhauser, was declared winner of the 1946-47 intramural basketball season and was presented with the Avalanche trophy. Members of the squad besides Captain Feldhauser are Elton Jehn, Lawrence Bunker, George Kessler, Marvin Bielski, Darrell Ashton and Delbert Joslyn. The team tripped Ohio by a 13 to 8 count last week to wind up a perfect season with 10 wins against no losses. Their nearest competitors were Ohio and Northwestern, each of which won five against a like number of defeats. Michigan dropped Wisconsin by a 10 to 6 score, while Northwestern defeated Minnesota by the same count, in the other two contests last week. Following are the final standings:

	Won	Lost	Pct.
Illinois	10	0	1.000
Ohio	5	5	.500
Northwestern	5	5	.500
Wisconsin	4	6	.333
Michigan	4	6	.333
Minnesota	4	6	.333

First Easter Egg, A Jewel

The most delightful Easter egg ever presented, and probably the forerunner of today's Easter egg hunts, was one made by Carl Faberge, court jeweler to the Russian czar Alexander III about sixty years ago, according to the Jewelry Industry Council.

Faberge produced what to all appearances was an ordinary hen's egg as a gift for Alexander to present to his wife, the Czarina Marie Feodorovna. Inside the egg was a magnificent group of jewels—gold, platinum, enamel and precious gems—all so expertly made that they fitted one within the other, and were placed within the egg-shell so that even the most critical eye could not detect the "surprise" until the egg was broken open. The czar was so pleased that Faberge had a standing order to produce two such eggs every Easter thereafter, one for the czarina and the other for his mother. Latest reports indicate there are 49 of the Imperial eggs still in existence, according to the Jewelry Industry Council.

In ancient times, with the coming of the spring season, people did not give gifts to each other, but laid their precious things at the feet of stone and clay idols in a spirit of thankfulness for the end of winter and hope for good crops during the growing season. Customs varied among the ancient nations. The Persians presented one another with eggs in the early spring festival, and so the Easter egg became the symbol of the Easter holiday when that religious celebration developed in the Christian era.

With the coming of Easter in the Christian era, joy and thankfulness over the Resurrection took the place of attempted bribery of idols for a prosperous growing season. Easter became an occasion for substantial gifts to churches and in time for exchanges of gifts among friends. Today there is hardly a nation whose people are unaware of Easter. Throughout the world, among peoples of many diverse races and religions, Easter has become a week of celebration and of joyous gratitude for the gift of life itself.

WOMEN RULE THE "BIG TOP"

Perhaps even more spectacular than the Big Show itself is the behind-the-scenes battle for control of the circus. Read the full story of three-ring discord in "The Greatest show on earth", in The American Weekly magazine with this Sunday's (April 6) issue of The Detroit Sunday Times.

Masonic Degree Team Plans White Elephant Sale

The Masonic Fellowcraft degree team is planning a white elephant sale for sometime during April. Team members said it would be a good time for Grayling folks to rid their attics, basements and garages of unwanted articles. They also added that a phone call to Spike MacNeven, Thomas Stancil or Earl Burns would be all that is necessary to have any article picked up. Further particulars will be made public within the next week or so, they concluded.

CONK'S COL

We wonder how many of the local anglers tie their own flies. There must be quite a number. We've seen some samples of flies tied by those who make their own which are the bee's knees and the cat's whiskers for class. Just the other day, Hans Peterson, local

Fish Hatchery Superintendent, showed us some flies he had tied in preparation for the opening day of the trout season—and Hans really knows how to make the kind of flies the trout go after—and how! And LeRoy Babbitt has quite a collection ready for use on April 28th and thereafter. And every one of them splendid examples of the fly-tying art. Fly-tying is a science; almost anyone, possessed of the "know-how", can tie a fly. The beauty of the flies, however, is the product of study and a lot of work. The amateur, however, need not be discouraged if his first attempts do not look exactly like works of art. We have seen some fine trout, and bass, too, taken on flies that looked like unwanted orphans.

Winter has surely been sitting in the lap of spring quite a bit too long. While the disciples of the Immortal Izaak have been planning all sorts of things for the coming opening of the fishing season, wintry blasts, snow and ice (not to mention slush) have been staying with us. Maybe we shall have to revise the calendar, one of these days, to mark Spring's opening as coming with all the snow and cold and ice gone!

Speaking of basketball, did you notice how a college team, ranked as "world champs", was downed by a team most of us never even heard about. Kentucky State, which had beaten all comers up to then, and often by such lopsided scores that the scorers must have had headaches, was beaten in the national college tournament in New York, by the University of Utah quintet. But, then, that is only basketball and life. David slew Goliath, Gentleman Jim bopped the Great John L. off, and a poker player can win on a bluff. Yep, this world is a place of all kinds of things, conditions—

and upsets.

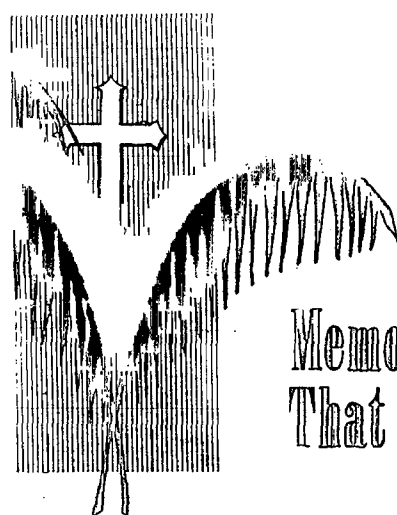

Coach Cornell is optimistic regarding the outlook for the 1947 baseball season at Grayling High. He has several veterans from last year's nine, and quite a lot of other promising players on his squad.

These days—

LEARN TO DIAL BY EAR

1. Pick up the receiver and listen before starting to dial.
2. If the dial tone is delayed, wait until you hear that steady hum-m-m.
3. When you hear the dial tone, dial the number carefully.

THAT dial tone is mighty important. It means that the switching equipment in the telephone central office is ready to handle your call. If you dial before you hear it, you'll get a wrong number or no number at all.

Right now there are times when the dial tone is delayed. That's because central office facilities are serving more telephones and handling more calls than ever before... even more than during the busiest war years. And material shortages prevent us adding equipment as fast as we'd like.

But this situation is only temporary. We will restore service to normal as quickly as enough dial equipment can be provided.

Meantime, please remember to listen for the dial tone before you dial.

Annual Tax Sale

STATE OF MICHIGAN.
In the Circuit Court for the County of Crawford
In Chancery. No. 68.

In the Matter of the Petition of Muri K. Aten, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

On reading and filing the petition of the Auditor General of the State of Michigan praying for a decree in favor of the State of Michigan, against each parcel of land therein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said petition will be brought on for hearing and decree at the April term of this Court, to be held at Grayling in the County of Crawford, State of Michigan, on the 8th day of April, A. D. 1947, at the opening of the Court on that day, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed thereon by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear in said Court, and file with the clerk thereof their objections thereto on or before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a decree will be taken and entered as prayed for in said petition. And it is further ordered that in pursuance of said decree the lands described in said petition for which a decree of sale shall be made, will be sold for the several taxes, interest and charges thereon as determined by such decree, on the first Tuesday in May thereafter, beginning at 10 o'clock a. m. on said day, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and of each and every parcel thereof, at the office of the County Treasurer, or at such convenient place as shall be selected by him at the county seat of the County of Crawford, State of Michigan; and that the sale then and there made will be a public sale, and each parcel described in the decree shall be separately exposed for sale for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest undivided fee simple interest therein; or, if no person will pay the taxes and charges and take a conveyance of less than the entire thereof, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being, and shall, on the succeeding day, or before the close of the sale, be reoffered, and if, on such second offer, or during such sale, the same cannot be sold for the amount aforesaid, the County Treasurer shall bid off the same in the name of the State.

Witness the Hon. John C. Shaffer, Circuit Judge, and the seal of said Circuit Court of Crawford County this 8th day of February, A. D. 1947.

John C. Shaffer,
Circuit Judge.

Countersigned,
Leo Lovely, Clerk.

STATE OF MICHIGAN.

In the Circuit Court of the County of Crawford
In Chancery.

In the Matter of the Petition of Muri K. Aten, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

To the Circuit Court for the County of Crawford, in Chancery:

Muri K. Aten, Auditor General of the State of Michigan, respectfully shows unto the Court:

1. That he is the Auditor General of the State of Michigan and makes and files this petition under, by virtue of and pursuant to the provisions of Act No. 206 of the Public Acts of 1893, as amended, and Act No. 128 of the Public Acts of 1933, as amended;

2. That Schedule A annexed hereto is the tax record required by the act first above mentioned and contains the description of all lands in the aforesaid county upon which taxes, which were assessed for the years mentioned therein, have remained unpaid for more than one year after they were returned as delinquent, the description of all lands in said county heretofore bid off in the name of the State and thus held and upon which taxes which were assessed subsequent to the tax for which such lands were sold to the State have remained unpaid for more than one year after they were returned as delinquent, and the description of all lands in said county which are delinquent for any installment of taxes under the provisions of the act last above mentioned;

3. That extended separately in said schedule against each description of said lands therein contained are (a) the total amount of delinquent taxes upon said description for the non-payment of which the same may lawfully be sold at the next annual tax sale, (b) interest computed thereon as provided by law to the first day of May, next ensuing, (c) a collection fee of four per cent and (d) \$1.00 for expenses, all in accordance with the provisions of the act first above mentioned;

4. That all of the aforesaid taxes, interest and charges are valid, delinquent and unpaid, and have remained delinquent and unpaid for sufficient time to authorize and require, as provided by the foregoing acts, the sale of the aforesaid parcels of land against which they are assessed and are extended in said schedule at the next annual tax sale for the non-payment thereof, and that the said taxes, interest, collection fee and expenses so extended in said schedule against each parcel of land therein described constitute a valid lien upon each of the said parcels of land described in said schedule as therein and against which extended in favor of the people of the State of Michigan, the payment of which lien this court may enforce as a preferred or first claim upon such lands by the sale thereof.

Wherefore your petitioner prays:

a. That within the time provided by law this court may determine and decree that the aforesaid taxes, interest, collection fee and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule as therein extended;

b. That within the time provided by law this court make a final decree in favor of the State of Michigan against each parcel of said lands for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land therein contained;

c. That said decree provide that in default of the payment so ordered of the said several sums computed and extended against said lands in said schedule, the said several parcels of land, or such interest therein as may be necessary to satisfy the amount decreed against the same, shall severally be sold as the law provides;

d. That your petitioner may have such other and further relief in the premises as to this court may seem just and equitable.

And your petitioner will ever pray, etc.

Dated: February 5, 1947.

MURI K. ATEN,

Auditor General of the State of Michigan,
for and in behalf of said State.

LEGAL NOTICES

STATE OF MICHIGAN

The Probate Court for the County of Crawford

At a session of said Court, held at the Probate Office in the City of Grayling, in said County, on the 21st day of March, 1947.

Present, Honorable Ray F. Clement, Judge of Probate.

In the Matter of the Estate of Minnie N. Roberts, Deceased.

It appearing to the Court that the time for presentation of the claims against said estate should be limited and that a time and place be appointed to receive, examine and adjust all claims and demands against said deceased by and before said Court.

It is Ordered, That creditors of said deceased are required to present their claims to said Court at said Probate Office on or before the 26th day of May, 1947, at 10 o'clock in the forenoon, said time and place being hereby appointed for the examination and adjustment of all claims and demands against said deceased.

It is Further Ordered, That publication of a copy of this order, once in each week for three weeks consecutively, previous to said day of hearing, in the Crawford Avalanche, a newspaper printed and circulated in said County.

Ray F. Clement,
Judge of Probate.

(A True Copy)

Ray F. Clement,
Judge of Probate.

27-3-10-17

Grayling, Michigan,

March 18, 1947

ELECTION NOTICE

To the Qualified Electors of the Several Townships and City of Grayling, County of Crawford, State of Michigan:

Notice is hereby given that an election will be held at Town Hall and City Hall, within said Townships and City of Grayling, Michigan, on Monday, April 7, 1947, from 7 o'clock in the morning until 8 o'clock in the afternoon, Eastern Standard Time, for the purpose of electing the following officers:

STATE—Two Justices of the Supreme Court; Two Regents of the University of Michigan, Superintendent of Public Instruction, Member of the State Board of Education, Two Members of the State Board of Agriculture, and a County School Commissioner.

TOWNSHIP—Supervisor, Clerk, Treasurer, Highway Commissioner, Justice of the Peace, Member of Board of Review; Constables (not to exceed four).

Also to vote on the Following Proposed Amendments:

PROPOSAL No. 1
A Joint Resolution of the 1947 Legislature Proposing an Amendment to Section 23 Article 7 of the State Constitution, relative to

MARGARET'S DEBUT . . . Margaret Truman singing in her radio debut with the Detroit Symphony orchestra. Critics, generally, said that the President's daughter showed promise of developing into an opera singer after further experience.

Bits O' Talk

VETERANS' NEWS

M. C. Theobald, War Assets Administration, will be at the Court house in Grayling on the following Tuesdays, from 9:30 a. m. till noon, to see veterans who are interested in government surplus property: April 22, May 13, June and 24, July 15.

Mr. and Mrs. Bert Norris spent several days in Jackson last week, returning home on Thursday. They were snowed in for four days there and unable to return sooner.

Emma Peterson is making a prolonged visit with Mrs. Andrew Peterson.

Mr. and Mrs. Art May and son Roger spent from Thursday until Monday in Detroit.

Myron Burrows has returned to Grayling after spending three weeks in California.

Spike's Keg O' Nails re-opened Friday after being closed for the week installing a new floor covering.

Mrs. Harold MacNeven and Mrs. E. P. Boothe returned last Thursday evening from East Lansing, where they visited the Larry Symmes. They were among those who had to prolong their stay because of the weather.

Mr. and Mrs. Harley Kennedy spent Thursday and Friday of last week in Detroit, where they attended the flower show held at Convention Hall.

Mr. and Mrs. Richard Peterson of Jackson will observe their first wedding anniversary on Easter Sunday.

Mrs. William Smith of Bay City returned home after spending the last two months with her sister, Mrs. James Lynch.

Fred Smith of Midland spent Sunday with his aunt, Mrs. James Lynch.

Mr. and Mrs. Harley Russell and son Gary spent Friday in Bay City.

Mrs. Glen Day returned from Columbus, Ohio, last Friday, where she had taken her son, Dennis, back to Ohio State University. Dennis had spent over a week with his parents.

When you come in to pay your home bill, why not bring along those shoes that need repairing? Mr. and Mrs. Robert Dyer of Lansing spent the week-end in Grayling recently.

Mr. and Mrs. Theodore Wheeler and daughter Linda, of Chicago, spent the week-end with their parents, the Delbert Wheelers. Rae Linda is a professional model, and a series of pictures has been made of her which are to appear in the June number of McCall's. The article will be called, "I Told You Not To Touch It". Guests of the Wheelers for two weeks are their daughter, Mrs. Naomi Nellist, and granddaughter, Sandra, of Detroit.

Mrs. Walter F. Truentner and son, Walter J. Truentner, of Grosse Pointe, spent the week-end with Mr. Truentner. While here they inspected the former Welsh and Hodgson home which they recently purchased. A remodeling and renovating program is under way on the house now and Mr. Truentner says they will become permanent Grayling residents about May 1.

Attend the benefit party at the Grange Hall, Saturday evening, April 5, 8 o'clock. You may win one of the 15 prizes. A 3-layer cake is grand prize. Hot donuts and coffee will be made and served on the spot. All are welcome.

Mr. and Mrs. Herbert McDonnell and James McDonnell visited the Herb Myers family in Traverse City, Sunday evening. Mrs. McDonnell remained for a few days to care for her sister's children while she underwent surgery. Mr. and Mrs. Joseph Dingman of Detroit spent the week-end with her father, James McDonnell.

If anyone is the owner of a brown colored part Boxer dog that has been seen running the Grayling streets, will they kindly notify the Avalanche office? If not, the dog has found a home and master, Jimmy Bond.

Jack Johnson of Halo and Will-

m Moshier of Grayling have just completed a factory training course at Belding, Michigan, on the Coronado and Firestone refrigerator repairing and maintenance.

Mr. and Mrs. George Wiggins, with their children, Susan Kay and Richard, spent the week-end in Saginaw visiting his parents, Mr. and Mrs. George Wiggins, Sr. Notice, please, that there will be an Easter breakfast at the Michelson Memorial Church as previously planned.

Mrs. Oscar Hanson, Mrs. Ella Wilcox and little Miss Nancy returned Monday from a visit in Saginaw.

Mr. and Mrs. Harold Jarmin and Mr. and Mrs. Richard Penty spent the week-end at the Soo.

Ray Snider of Chagrin Falls, Ohio, is here for the week, getting the Snider Canoe Livery (former-

ly Snider's) in readiness for the summer season.

Mr. and Mrs. Frank Bond and Mr. and Mrs. Roy Milnes expect to leave Friday on a week's vacation in the South.

The Lakeside Drive Club met with Mrs. Stanley Flower, Tuesday of last week, and with Mrs. Leo Koerper this week.

Mr. and Mrs. Leo Koerper plan to spend Easter in Detroit, and from there Mr. Koerper will leave for California, to be gone two weeks.

Mr. and Mrs. Wilbur Davis of West Branch spent Sunday with the Stanley Flowers.

Earl Burns, Charles Moore and George Granger spent Monday in Cadillac on business for the city.

Richard Rasmussen expects to fly home from California, April 5. Dick has been visiting his aunts,

Mrs. B. L. Underhill and Mrs. W. J. Aberle and sister, Miss Laura, and Mrs. James Olivas in Los Angeles. Miss Laura will accompany him.

MICHELSON MEMORIAL CHURCH NOTES

Marilyn Burch, Larry Andrews, Joey Robertson and teachers Miss Ernestine Stephan and Mrs. Robert Strong, celebrated birthdays during the month of March.

The total Sunday School attendance was 101. This was the first time that this total has been reached since December 1.

A definite date for the Achievement Day pot-luck and display has not been decided upon as yet. There will be no Easter breakfast as previously planned.
